

APPEAL FROM THE DISTRICT BURSAR

(Easter 2025)

Dear Faithful,

First and foremost, we express our sincere gratitude for your steadfast generosity over the years (and for your response to the letter we published almost six months ago). Your financial support has been instrumental in enabling the SSPX to expand and consolidate its presence in Canada, ensuring continued access to the sacraments and sound doctrinal formation for all who seek the truth.

We recognize that your generosity is particularly commendable given today's economic challenges. Many Canadian families are facing financial strain due to rising inflation, increasing housing costs, and economic uncertainty. That you continue to support the Church's mission despite these difficulties is deeply edifying.

By God's grace, the SSPX in Canada now comprises 23 priests serving in seven priories, supported by three brothers and six oblates. We also operate three schools and a retreat house, all of which are vital to the Society's apostolic and educational mission.

The District House, which serves as the administrative and spiritual center of the SSPX in Canada, is located in Saint-Césaire, Quebec. The priests residing there provide pastoral care to multiple mission territories, including Montreal, Saint-Césaire, Brinston, and the Maritimes. Each chapel functions as a financially autonomous entity, fully responsible for its operational and maintenance costs.

In accordance with catholic principal of financial governance, each priory gives 10% from the 1st collection and other non-specified donation to the District House. The District House subsequently remits 5% of its revenues to the central SSPX headquarters in Switzerland, upholding the integrity and sustainability of the Society's global operations.

Despite this structured approach, we are currently experiencing a critical funding shortfall. Certain chapels and missions have required additional financial assistance to sustain their apostolate, and in some cases, we are having to manage and supply the outstanding debts of some of our missions.

Furthermore, the District House itself, housed in an aging facility, is in urgent need of maintenance and structural repairs, including the replacement of the heating system and ceilings. Renovations are also necessary, such as installing an elevator to assist the sisters and priests with mobility challenges—just a few examples of the work that remains to be done.

Therefore, with humility and confidence in Divine Providence, we turn to you, our faithful supporters, inviting you to consider one of the following ways to assist:

- **Making a one-time donation** to help cover specific expenses.
- **Making a recurring donation of any amount** to provide stable financial support.
- **Considering leaving a legacy to the SSPX** to ensure the Society's long-term mission.

How can you make donations?

- **Online with a credit card:**

- Through Zeffy: spx.ca/en/Support the SSPX
- Or scan this code
(You can choose “monthly donation”)

- **Interact transfer:**

- Send your donation with e-interact to this address mentioning in the message that it is for the District House: compta.csj@fsspx.ca. Use “Joseph” as answer to the secret question

- **Cheque:**

- To : *La Fraternité Saint Pie X (Québec) Inc.* This is legal name of the SSPX in Canada.
 - In the memo part mention: *District House*
 - You can give the cheque to your parish priest or put it in the Sunday collection

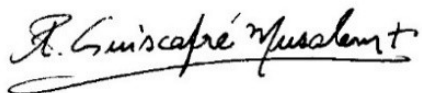

Your support—regardless of the amount—will be invaluable in helping us meet our financial obligations and sustain our mission with unwavering dedication and fervor.

We entrust this appeal to your prayerful consideration. May Our Lord reward you abundantly for your generosity. On our side, in addition to our prayers, we celebrate a Mass for all our benefactors, once a month.

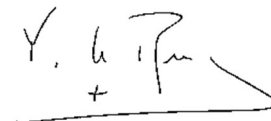

“For alms delivereth from death, and the same is that which purgeth away sins, and maketh to find mercy and life everlasting.” (Tob 12,9)

May Our Lady keep in us the joy of Easter throughout the year.

Where are we going? To Heaven!
